

GREEN HOST COVE PROJECT

EDUCATION, TRAINING AND SUSTAINABLE TOURISM

WHAT THE PROJECT IS

The project "Vocational Excellence, Policy And Enterprise United for Hospitality Management Skills Adapted on Environmental Footprint Methods (GreenHost)" is a project funded by the EU programme Erasmus+ CoVe, bringing together a mixture of 19 partners from 7 countries.

WHAT THE PROJECT DOES

GreenHost" aims to promote sustainable tourism by addressing the critical issues within the tourism sector, including the shortage of skilled staff and the lack of sustainability practices.

PROJECT PHASES

The project will develop in different phases: 1. an initial moment of gathering needs and good practices in collaboration with stakeholders in the various countries. 2. a phase of developing material for training, updating and the retraining of students and professionals in the sector; 3. organization of study visits and professional internships to offer practical and exchange experiences.

THE FIRST PROJECT MEETING

On the 23rd and 24th of April 2024, the "GreenHost" project partners met in Thessaloniki, Greece, in UoM's premises, for the kick-off meeting to discuss the project's objectives, plan the next steps, and of course get to know each other better. During that first meeting, the 19 partners from 7 countries (Greece, Bulgaria, Cyprus, Italy, Slovenia, Spain, Portugal) had the chance to lay down the foundations for the upcoming activities and establish a conceptual design regarding the milestones of the project.
